Import Solutions Made Easy
We Bring the World at your Door Step

ABOUT US

RB Overseas provides specialized services as an Indent Agent and Importer in INDIA. We offers most competitive rates and the best of services to a wide and ever growing client base. With 21+ years of Industry and International expertise made us established direct access to International manufacturers of a quality product range from manufacturers employing the latest technologies within their various manufacturing processes.

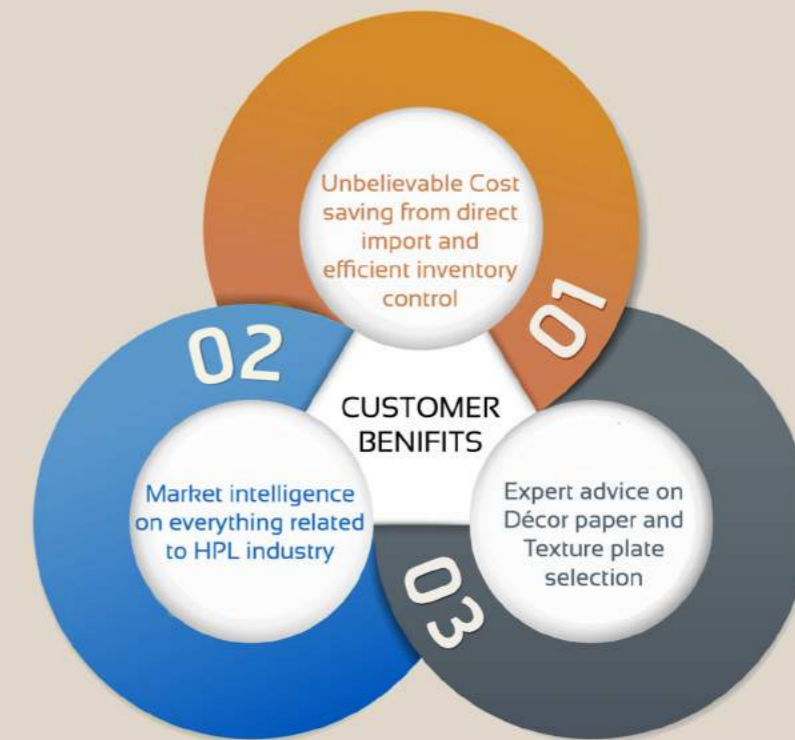

RB Overseas Sources, Indents on behalf of companies and Distributes a wide range of product and has specialized in:

- > Décor Paper
- > Absorbent Kraft paper
- > S.S. Press Plates
- > High Pressure Laminates
- > Machinery for Wood Based Panel Industries
- > Specialty Fastener & Tools

Inquiries for product outside of these categories are welcomed as the above list offers only a minor insight of the company's sourcing capabilities.

RB Overseas offers a complete outsourcing process for companies that do not have "in-house" capabilities to import in their own right without employing outside expertise, we specialize in these areas and have a track record that is second to none and that is able to stand any scrutiny.

Your inquiry is welcomed and assured of prompt attention
